Hi,

I'm trying to recall the usual run/walk fall line-up and Homewalk would be the only other event I could think of.

The Making Strides Breast Cancer Walk already presented.

And it sounds like Rock N Roll will soon which is good.

Thanks for checking in.

Aaron

Aaron,

Are there any events coming down the pipeline that you are concerned with? Rock N Roll is still having their event in the corridor and I have them on notice to meet.

It looks like several of the other special events are avoiding the area or they haven't put in for their permits yet...

Let me know.
